

**Do you have
a child aged
2 – 4 years
old?**

We are looking to interview parents of children ages 2 to 4 years old to learn about how parents decide whether or not to vaccinate their child against the flu.

Interviews will be virtual and last about half an hour.

Participation in this study is completely voluntary.

If you are interested in participating, or if you have any questions, please do not hesitate to get in touch on the email below.
